CHEAPER GAS FOR BARRE

The Gas Company started out to furnish gas to its customers for all domestic purposes at a price of \$1.50 per one thousand cubic feet, with a discount of 25 cents per one thousand feet on all bills that are paid by the 10th of each month for gas consumed the previous month.

The Company adopted the policy from its start to reduce the price of gas as the increase of its business would permit, and in accordance with this policy, and of the generous support given by the citizens, we wish to announce that on and after June 1st, 1905, and until further notice, the price of gas to the ordinary consumer will be reduced 10 cents per one thousand feet, making the net price \$1.15 per one thousand feet if the bills are paid by the 10th of each month for all gas consumed the previous month, and for those consuming gas in large quantities the following graduated scale has been adopted, and the discounts are made from the established price of \$1.50 per one thousand cubic feet:

Any amt. up to and includ'g 3000 cub. ft. per month, disc't 35c, net price \$1.15 Over 3000 up to and includ'g 5000 cub. ft. per month, disc't 40c, net price 1.19 Over 5000 up to and includ'g 10000 cub. ft. per month, disc't 45c, net price, 1.05 Over 10000 up to and includ'g 20000 cub. ft. per month, disc't 50c, net price, 1.00 Over 20000 up to and includ'g 30000 cub. ft. per month, disc't 55c, net price, .95 Over 30000 up to and includ'g 50000 cub. ft. per month, disc't 65e, net price, .85

And the Company wish further to announce that after June 1st, 1905, all gas bills that are not paid by the 10th of the month for all gas used during the previous month will be collected at the established price of \$1.50 per one thou-

There is no city anywhere the size of Barre, and but very few larger cities in New England, that sell gas at so low a rate.

Two of the largest conditional contributions—\$15,000—to the endowment fund for opening the girls' school at Bishop Hopkins Hall at Burlington have just been paid in cash and the total amount on hand is now \$75,000. The amount needed to carry out the plans of the committee having the matter in charge is \$100,000 and the prospect is bright for the ultimate raising of the remainder of the sum. The interest on he amount on hand will go a long way in that direction and there is every rea-son to believe that the school will be reopened next September.

At a recent meeting of the members of the Winooski hand it was decided to continue the organization and as soon as arrangements are completed the oncerts, which were discontinued on ecount of lack of funds a few weeks ago, will be again resumed, probably next week. An effort was made to raise money for the purchase of uniforms and to pay extra men on concert wights.

Drn Huntley of West Burke is strongly in sympathy with the Russians, and the naval battle that just took place between Russia and Japan worked Dan up to a white heat. So much so that up to a white heat. So much so that he immediately went and bought a boat so that in case he was called on from Russia he would be in good practice as an oarsman. Last Monday he put his boat on a wheelbarrow and wheeled it to the mill pond and himself, Dr. Noves and Sherman Huntley embarked for Russia. After starting Dan told the doctor that perhaps he did not know he was in a Russian boat. The doctor told Dan if that was the fact, the boat would surely go to the bottom. No sconer were the words spoken than the boat overturned and all went to the bottom. Dan came out of the water blowing up mud and sawdust shouting for help.
